Fantasy XIII Complete Save
Editor (X360/PS3) This is the
link to download f13 save editor

on x360 and ps3. If you want to write your own save editor, you have to be careful, since your save file format will not be compatible with any other console. If you want to edit other people's save files, you need to know the "save structure". To understand it, you can read this document (thanks to r-a-d-y_morio for posting it), or the complete source code (available on the Ubuntu repository). There are very few

screenshots, but you can find the whole code in the attached files (save_editor_x360.rar and save_editor_ps3.rar). You can also ask in the FF13-MESSAGE board. Sorry for my bad english.

regards Knuckles88 PS3 Save Editor Version 1.0.1 HTML version: Getting Started PPS3 Save Editor requires some sort of external software to read your save file. If it doesn't work, download the included editor and try again. All you need is to

extract this file, and replace the Saves folder with your own save file directory. FAQ What does it do? It allows you to edit the contents of your save files. How does it work? It loads your save file into the editor, and you can modify the contents using a built-in

Apollo Save Tool is an application for managing game save files on the PlayStation 3. The apollo-ps3 homemade
