Category: 3D computer graphics softwarePages Tuesday, February 14, 2009 Anya of the Unicorns Welcome to the Magical Bookworm, Anya of the Unicorns! I'm so excited to have you join us. Since the Worldcon is only a week away, I thought I'd get a bit more started on the blogs. I'd like to give a HUGE thank you to every person who helped me put together the ARC giveaway. I couldn't have done it without your help, so THANK YOU! :) To celebrate her Worldcon 50 birthday, I wanted to create a review post that included all the lovely authors that contributed to the Chicks Dig Time Lords book. I'm really happy with how it turned out. I'm trying out some new features with this post so please bare with me if it's a bit wonky for a few days. I hope you enjoy the post! Chicks Dig Time Lords is dedicated to the memory of David Campiti, the father of time travel and creator of the new Doctor Who adventures. Read more about David here. Sarah Littman and Karen Traviss have teamed up to bring fans their own three-part, first-person account of what it's like to write the new series of Doctor Who adventures. This is a behind-the-scenes look at how it all comes together. The Universe by David Hadley and Toby Hadoke is a magnificent collection of all manner of strange and wonderful Doctor Who art that only a fellow fan can truly appreciate. Over 300 pieces of fan art have been collated into a compendium that will blow you away. I'd like to give a HUGE thank you to Lianne, Keffy, Y
