Silos: Fundamentals of Theory, Behaviour and Design eBook Amazon.in: Kindle Store Category:Books about visual arts Category:Behaviorism Brace yourself, gamers: 2017 is going to be the year of more than console exclusives. Nintendo, Microsoft and Sony are all releasing major exclusive games for PlayStation 4, Xbox One and PC, and you're going to want to know about them. We got a great list from Neowin, but there are some great exclusives on the way, too. First, we have a new Spider-Man game from Insomniac Games and Beenox. There's also a brand new Battlefield game coming, the conclusion to the three-game series, and the original Metroid game on the 3DS is getting another sequel. We've listed our most anticipated games for this year, but what do you think? New Batman game on PC and Xbox One The new Batman game, Batman: Arkham Knight is a PlayStation 4 exclusive and the first official game in the Arkham series. The main game takes place in Gotham City, where players will have to explore the city to take down criminals. At the same time, Catwoman, Harley Quinn and the Joker are trying to take down Batman. The game features many villains, including The Penguin, Two-Face, Poison Ivy, The Riddler, Ra's al Ghul, Killer Croc, Clayface, Hugo Strange, and Bane. The game will be releasing for the PS4 and Xbox One. Lara Croft and the Temple of Osiris Square Enix's Larian Studios has announced a new Tomb Raider game. Lara Croft and the Temple of Osiris is coming to the PS4, Xbox One and PC. The game takes place after Tomb Raider: Underworld and before Tomb Raider: Legend. The game follows the story of Lara Croft as she investigates a mystery. She has to battle magic-wielding forces in an attempt to figure out who is behind all of this. This is the first Tomb Raider game on a next-gen console. Battlefield 1 Electronic Arts and DICE released a teaser trailer showing off the first game in the Battlefield series, the reboot of the franchise. The game will be releasing for the PS4, Xbox One and PC. The game will feature a wide variety of vehicles, weapons and maps. The game is expected to release in
