Xpicks Crack+ Product Key Full

KEYMACRO is an easy-to-use image editor for your Android device, a quick and easy photo editor to create your photos into something beautiful. KEYMACRO allows you to make your favorite photos look sharper and more impressive. With this image editing application, you can quickly and easily apply some great adjustments to your photos, such as: “burn”, “lighten”, “darken”, “sharpen”, “crop”, “color”, “red eye”, “saturation”, “hue”, “contrast”, “gamma”, “adjust black and white” and “fix white balance”. This app is a complete stock photography studio for your mobile device. Powerful image processing tools for photo editing KEYMACRO features a powerful image processing toolkit, that includes most of the features you would expect to find in a high-end photo editing software.

- **Burn/Rename** Let KEYMACRO assist you in making your photos look better by applying various special effects to your photos.
- **Crop** We have designed KEYMACRO to support a variety of photo cropping options, so that you can maximize your photo size, as well as remove areas from your photo to save you the time of cropping each picture individually.
- **Color** Let KEYMACRO adjust the color of your photo to make it look much more lively and attractive.
- **Gamma** Gamma (gamma) is a non-linear adjustment which has been used to enhance the contrast between dark and light areas of an image, as well as increase or decrease the overall color saturation of a photo.
- **Fix White Balance** Let KEYMACRO assist you in removing the blue cast from your photos. This can be useful if the photo’s light source has a blue cast.
- **Lighten/Darken** KEYMACRO can help you to boost or reduce the overall exposure of your photo. This can help you to make your photo look brighter and more vivid.
- **Lens Correction** Lens correction helps to improve the sharpness of your images by correcting the effects of lens distortion or aberrations.
- **Sharpen** Using the Sharpen tool can help you to sharpen the edges of your photo, making it look more crisp and clear.
- **Reduce Noise** Let KEYMACRO assist you

Xpicks (LifeTime) Activation Code

Arguably the most powerful, and simplest way to create a photo contest, photo contest app is a really important tool for any amateur photographer.
