System Requirements For Player:

Description: An expansion pack for the game Warzone 2100. Game Genre: Strategy Build & Design: The game was designed to provide a limited freedom of gameplay. It uses a "constant expansion" approach: the maps and the game world is static, while the rules of the game evolve. The player can therefore take the lead in developing the strategy of the game and has to understand the consequences of his choices. Objectives: The game provides two modes of play: solo and multiplayer. The game can
