February 23, 2012 - The AddictingGames team is delighted to announce the latest addition to the WonderFusion family: the highly-anticipated Dora the Explorer Adventure Game, available in both English and German versions for free on the App Store and Google Play for the 3GS, 4, 4S, iPhone 3G, iPhone 4 and iPod touch. Dora the Explorer Adventure Game is a quiz-based educational adventure game designed to educate kids about geography, health and science. For kids and educators, it's a fun, interactive way to explore the countries that make up Dora's world, presented in a playful manner where nothing is too hard. For adult players, it's a great tool to help teach geography and all those science related subjects. Start the game by naming the current Dora location and check the trivia about each location. You can also choose from three difficulty levels and finish the challenge with the most points. Points can be earned by finding collectables at each puzzle, and players can also have a mix of fun and free play. There are over 250 puzzles in this game, so kids will have fun while developing their memory and observation skills. The game features beautiful artwork and hand-drawn animation throughout. Dora the Explorer and friends will appear in characters to help you pass the level. And it's fun to solve a puzzle by breaking it down into pieces and finding the parts to complete the picture. Kids will have a blast playing this game! THE MAIN FEATURES :- Choose the Adventure! Choose the level of challenge with 3 difficulty levels and 6 themes. Start the Game! Start the Adventure and get ready to explore the lands
