Colombia has been. mainly as a result of pressure from the United States. in 1963. Category:Penal codes in Mexico Category:Mexican law Category:Law in Colombia Category:Sex laws in the United StatesMathematical problems in medicine and biology. IV: Analytic solutions of certain mathematical models of radioimmunoassay, 'cancer', and the clotting of blood. In this paper, the analytic solutions of equations for the equilibrium conditions of several models of radioimmunoassay, 'cancer', and the clotting of blood are considered. Computer solutions of the equations of models for the tumour,

---

for the spread of the tumour, and for the growth of cancer in the body are reviewed. The method of solution is discussed, and the methods of solution and the analytic solutions of the equations for all the models are given.
